Working Papers

Xie, T., & Pentina, I. Persuasion in the Context of Conversational Agents: Systematic Literature Review and Research Directions (Submitting to AMWMC 2025)

Xie, T., George, B., & Pentina, I. The Effect of Emotional and Cognitive Trust on Privacy Disclosure to Social-oriented Conversational Agents (Instrument Development)

Xie, T., & Jung, E. Understanding Factors Impacting Social Chatbot Satisfaction: A Text Analysis of App Review Data (Data Analysis Stage)

Research Interests

- Interdisciplinary studies of design science, information systems, psychology, and marketing: persuasion, attachment, addiction, consumption culture, behavioral patterns, and design factors surrounding social robots and chatbots.
- Multi-method researching involving methodologies like experiment, survey, interview, text-mining.
- Human attitudes towards intelligent systems such as acceptance, trust, adoption for Artificial Intelligence, business analytics, high-performance computing systems, conversational agents.
- Factors impacting the usage of new media technologies: addition, privacy, trust issues related to smartphone apps and social networking websites.

TEACHING

Teaching Experiences at University of Toledo, Instructor of Record

- BUAD 2060, Business Statistics (FL20 Hybrid, SP21 Hybrid, FL23, FL24)
- BUAD 2070, Business Analytics (FL21, SP25 scheduled)
- BUAD 1020, Micro Computer Applications (FL19, FL22, SP25 scheduled)
- BUAD 2020, Information Technology Management (SP 22 Remote, SP23, FL23, FL24)
- BUAD 3020, Principles of Manufacturing and Service Systems (FL21, SP22, FL22, SP23)

Other Teaching Experiences

- 2023 Guest Lecture, invited by Beixi Li, for course EMR 6560 Mixed Methods Research at Western Michigan University
- 2018 Costing Accounting (tutoring)

Teaching Interests

- Business statistics and analytics
- Information system management
- Introductory data mining, text mining, and machine learning
- Supply Chain management
- Introductory programming
- Website development
- Database management
- Introductory Accounting

Conference Session Chair

- 2022 Session Chair, Midwest Decision Sciences Institute Virtual Conference, Business Analytics Track II
- 2021 Midwest Graduate Research Symposium

UNIVERSITY SERVICE

- 2019 - 2024 Graduate Student Association (served as College Representative for 2019-2022, coordinator of Midwest Graduate Research Symposium in 2020, 2022, and 2023, and communication specialist for 2023-2024), University of Toledo
- 2022 Co-Organized with Shao Qin for 1) Basic Python Workshop at Data Science Seminar Series, and 2) Women in Data Science Poster Presentation in the 1st NSF Diversity Day

PROFESSIONAL DEVELOPMENT

Teaching Endorsements

- 2021 Online Teaching Certificate, University of Toledo
- 2021 The Collaborative Institutional Training Initiative (CITI Program) Certificate

Professional Memberships

- Association for Information Systems (AIS)
- Decision Sciences Institute (DSI)
- Production and Operations Management Society (POMS)
- The ACM Special Interest Group on Computer-Human Interaction (SIGCHI)

Doctoral Consortium

- 2021 52nd Annual Meeting of the Decision Sciences Institute
- 2021 Doctoral Consortium for Early Students- Americas Conference on Information Systems

HONORS AND AWARDS

- 2022 Pacemaker Award - the University of Toledo
- 2022 Professor Udayan Nankeolyar Scholarship - the University of Toledo
- 2022 Nominated Candidate for Best Papers - The Hawai'i International Conference on System Sciences 55th
- 2020 Outstanding Student Research Paper Award - Information Systems Track of Midwest Business Administration Association Conference 2020
